A MEN'S HEALTH FORUM MINI MANUAL

The Men's Health Forum mini manuals contain easily accessible and uniquely presented information covering a wide range of subjects relating to men's health.

The Men's Health Forum's mission is to be an independent and authoritative advocate for male health, and to tackle the issues and inequalities affecting the health and well-being of boys and men in England and Wales.

Founded in 1994, The Men's Health Forum is a charity that works with a wide range of individuals and organisations to tackle male health issues. Well-established with an active membership, we work for the development of health services that meet men's needs and to enable men to take more control of their own health and well-being. Our members, partners, staff and trustees bring a wealth of experience in healthcare, media, business and grassroots activity.
